

Hope Community

Nurturing Unity and Relationships through Food, Healing, and Education

Dear Potential Sponsor,

We are inviting you to support our inaugural Hope Community 5K race/walk which will be held on January 4, 2025. We are very excited to host this run which will be the first ever fitness event to be held completely in Fairhope South. At Hope Community, our mission is: **Nurturing Unity and Relationships through Food, Healing, and Education**. This 5K will bring runners and walkers to the Fairhope South community where they will learn about the revitalization of the property at Anna T. Jeanes School.

You have the opportunity to link your brand to this event and to our 501(c)(3) non-profit organization. Hope Community started with an idea to bring people together and get to know each other through dialogue. We have been working to know each other better and through our relationships to bring about positive change in our community. We are very excited about our project at the historic Anna T. Jeanes School property which is the original site for the first school to educate African American children in Baldwin County.

The 5K race begins and ends at Anna T. Jeanes located at the corner of Twin Beech Road and Section Street. The course will also incorporate our property on the corner of Middle and Young Streets. These properties are the focal point of activities for Hope Community. Eventually, we plan to have a community center, gardens, trails, and a teaching farm on our properties. The 5K allows people to see our progress and for our community to embrace an event established to support healthy lifestyles and outdoor recreation.

We would certainly be grateful for your support.

Sincerely,

Your friends at Hope Community
